

Rep. Mahon
OLC RECORD COPY

OLC #78-0183

20 JAN 1979

Honorable George H. Mahon, Chairman
Committee on Appropriations
House of Representatives
Washington, D.C. 20515

Dear Mr. Chairman:

It would be of substantial benefit to me and my colleagues in the Intelligence Community if we could receive copies of any Surveys and Investigations reports which have been completed before we get into the FY 1979 budget hearings.

You will recall that several of these reports were mentioned in the hearings last year. We were not able to respond to some questions because we had not seen the reports. I believe that the Committee members gave indications of a desire to get the reports to us as soon as they were available in the future.

I would therefore appreciate receiving any reports which have been completed but not yet given to us.

Yours sincerely,

/s/ Stansfield Turner
